### **About these profiles**

Small businesses are defined here as firms with fewer than 500 employees. Congressional district boundaries correspond to the 116th Congress. A gray area on a map showing share of workers self-employed indicates that Census reported zero total employment in that area. Data analyzed here predate the COVID-19 pandemic, which has had [impacts on businesses](#) that have differed by industry, geography, and demographic group. Electronic versions of these and other [geographic profiles](#) are available online, including extensive profiles of [Mississippi](#) and the [United States](#).
